Scholarships, Bursaries & Grants

The following are links to available scholarships for students entering Science, Environment or Sustainability programs and/or Indigenous students. This is not a complete list of scholarships. Please research scholarships based on your preferred University and field of study.

<i>Title</i>	<i>School</i>	<i>Notes</i>	<i>Website</i>
Jim Bourque Scholarship	Any	Available to Indigenous students enrolled in post-secondary studies training in Education, Environmental Studies, Traditional Knowledge or Telecommunications. Value: \$1,000.	https://arctic.ucalgary.ca/iim-bourque-scholarship
Desjardins Scholarships	Any	Scholarships available to students entering vocational/CEGEP or university based on commitment to studies, community involvement and financial need. Value: <ul style="list-style-type: none"> - Vocational/CEGEP: \$1,000 - University (BA): \$1,500 - University (MA): \$3,000 - University (PhD): \$10,000 	https://www.desjardins.com/ca/ab-out-us/social-responsibility-cooperation/education-cooperation/desjardins-foundation/academic-scholarships/index.jsp
Ted Rogers Scholarship	Any	Students under the age of 25, entering full time studies in a first bachelor degree or first diploma program at a Canadian university or college. Awarded to Indigenous students who demonstrate community leadership. Value: \$2,500.	https://app.smarterselect.com/programs/63574-Indspire
Indspire	Any	Available to Indigenous students entering full and part time studies in college, university, skilled trades, apprenticeships and technology programs. Value: varies.	https://indspire.microsoftcrmportal.com/en-US/
Aboriginal Ambassadors in the Natural Sciences and Engineering Award	Any	The NSERC Indigenous Student Ambassadors (NISA) grant aims to engage Indigenous students and fellows in promoting interest and participation in the natural sciences and engineering (NSE) by visiting Canada's Indigenous communities and schools and sharing their research and education experiences or participating in science promotion events and activities. Value: \$5,000.	https://www.nserc-crsng.gc.ca/Students-Etudiants/Aboriginal-Autochtones_eng.asp
Dealhack Annual Community Volunteer Scholarship	Any	Awarded to college or university students who demonstrate outstanding volunteer involvement in their community. Value: \$1,500.	https://dealhack.com/scholarship
Auto Pool Reel Scholarship	Any	Available to all students currently pursuing college or university studies in educational institutions within Canada and USA. Value: \$1,000.	https://www.autopoolreel.com/scholarship.html
Louer.com Student Scholarships	Any	Available to students enrolled in a CEGEP, University or Trade School located in Quebec based on academic standing and financial need. Value: \$1,000.	https://www.louer.com/scholarship
Telegraphstar Organization Scholarship	Any	Awarded to a full-time college or university student who exemplifies outstanding community volunteer involvement. Value: \$1,200 USD.	https://www.telegraphstar.com/scholarship/
Noplag Scholarship Essay Contest	Any	Available to undergraduate students in both full-time or part-time studies who complete the required essay as per the Essay Requirements. Value: \$3,500.	https://noplag.com/student-scholarship/
Women in STEM Scholarship	Any	Available to women pursuing a Bachelors degree in any science, technology, engineering or math programs. Value: three awards of \$2,000 to \$5,000.	https://www.mpowerfinancing.com/scholarships/women-in-stem/
Stephen Bronfman Scholarship in environmental studies	Any	Available to first year undergraduate students who are pursuing environmental studies.	https://jcfmontreal.org/scholarships/undergrad/stephen-bronfman-scholarship-in-environmental-studies/
CAG Undergraduate Award	Any	Awarded to an outstanding graduating student in an Environment and Geography honours or major program.	https://www.cag-acg.ca/cag-undergraduate-award
Kruger Inc. Scholarship In Environmental Studies	Bishops University	Awarded to a student in the second or third year of a major or honours program in Environmental Studies.	https://www.kruger.com/corporate-responsibility/in-the-community/
Undergraduate Prize In Environment And Geography	Bishops University	Awarded to the top returning student in Environment and Geography.	https://www.ubishops.ca/wp-content/uploads/46-Scholarships-etc-2020.pdf
Énergir Scholarship In Environmental Studies	Bishops University	Awarded by the Department to high-achieving students enrolled in the Graduate Micro-Program in Climate Change.	https://www.ubishops.ca/academic-programs/academic-calendar/
Kruger Inc. Scholarship In Environmental Studies	Bishops University	Awarded to a student in the second or third year of a major or honours program in Environmental Studies.	https://www.ubishops.ca/academic-programs/academic-calendar/
Chawkers Foundation Bursary	Bishops University	Awarded to a student in good standing in the Environmental Studies program who has demonstrated financial need. Recipient selected by the faculty of the Environmental Studies and Geography Department.	https://www.ubishops.ca/academic-programs/academic-calendar/
The Canadian Association Of Geographers Prize	Bishops University	Awarded to an outstanding graduating student in an Environment and Geography honours or major program.	https://www.ubishops.ca/academic-programs/academic-calendar/
Undergraduate Prize In Environment And Geography	Bishops University	Awarded to the top returning student in Environment and Geography. Funded by Bishop's University alumni and friends.	https://www.ubishops.ca/academic-programs/academic-calendar/

University Prize In Environment And Geography	Bishops University	Awarded to the top graduating student in Environment and Geography. Funded by Bishop's University alumni and friends.	https://www.ubishops.ca/academic-programs/academic-calendar/
Sophie de Villers Memorial Scholarship	Carleton University	Awarded to undergraduate students currently enrolled in the Bachelor of Science program at Concordia University, whose commitment towards life sciences reflect the values exemplified by Sophie de Villers, BA (Psychology) 1983. Preferred candidates for this scholarship will be enrolled in a Major, Specialization, or Honours in Behavioural Neuroscience, Biology, or Environmental Science.	https://futurefunder.carleton.ca/giving-fund/sophie-de-villers-memorial-scholarship-giving/
Collins Memorial Entrance Scholarships for Earth Sciences	Carleton University	Awarded to students entering the first year of an Earth Sciences program. The scholarship is awarded in addition to other Entrance Scholarships. Value: two awards of \$1,000 to \$4,000	https://admissions.carleton.ca/scholarships/
Glenneth M. Anderson Environmental Studies Scholarship	Carleton University	Awarded to students entering their third or fourth year of the honours program in Environmental Studies who are in good academic standing and show an interest in the environment and environmental awareness.	http://apply.carleton.ca/awards2/scholarships.htm?id=394&detail=yes&titlepat=
Gunther and Irmgard Bauer Scholarship in Environmental Engineering	Carleton University	Awarded annually to an outstanding undergraduate student entering the Environmental Engineering program, in the Department of Civil and Environmental Engineering at Carleton University. Preference will be given to female students.	http://apply.carleton.ca/awards2/scholarships.htm?id=607&detail=yes&titlepat=
Brystra Scholarship in Technology, Society, Environment Studies	Carleton University	Awarded annually to an outstanding student enrolled in a third or fourth year level Technology, Society, Environment (TSE) Studies course. Preference will be given to students registered in the TSE minor.	http://apply.carleton.ca/awards2/scholarships.htm?id=338&detail=yes&titlepat=
Julius Lukasiewicz Award in Technology, Society & Environment Studies	Carleton University	Awarded annually, if merited to one or more students who have successfully completed at least one Technology, Society and Environment (TSE) course at the 3000 level or above and who are carrying out relevant research. The theme of the research must address the interaction of Technology, Society and the Environment.	http://apply.carleton.ca/awards2/scholarships.htm?id=451&detail=yes&titlepat=va
The Robert Pickard Scholarship in Environmental Engineering	Carleton University	Awarded annually to an outstanding full-time student proceeding from Third year to Fourth year of the Engineering program who has demonstrated an interest in problems in environmental engineering.	http://apply.carleton.ca/awards2/scholarships.htm?id=213&detail=yes&titlepat=
Donald R. Wiles Scholarship in Environmental Science	Carleton University	Awarded annually, when merited, on the recommendation of the Director of the Institute of Environmental Science, to students proceeding from Second to Third year of the Environmental Science program.	http://apply.carleton.ca/awards2/scholarships.htm?id=279&detail=yes&titlepat=
Donald R. Wiles Entrance Scholarship in Science	Carleton University	Awarded annually on the recommendation of the Dean of Science to one or more students entering the First year of an Honours program in one of the Physical Sciences.	http://apply.carleton.ca/awards2/scholarships.htm?id=280&detail=yes&titlepat=
Adjeleian Allen Rubeli	Carleton University	Awarded annually, on the recommendation of the Chair of the Department of Civil and Environmental Engineering, to the students submitting the best and second best Fourth-year engineering project.	http://apply.carleton.ca/awards2/scholarships.htm?id=3&detail=yes&keywords=Environmental
J. Peter Johnson Prize	Carleton University	Awarded annually to the student who has attained the highest standing in the Department of Geography and Environmental Studies second year methodology courses.	apply.carleton.ca/awards2/scholarships.htm?id=401&detail=yes&keywords=Environmental
Peeter Kruus Memorial Scholarship	Carleton University	Awarded annually, in alternate years to an undergraduate student studying Technology, Society, Environment - Energy & Sustainability or to an undergraduate student studying Environmental Science - Foundations for Environmental Chemistry.	http://apply.carleton.ca/awards2/scholarships.htm?id=401&detail=yes&keywords=Environmental
Carleton Capital Scholarship	Carleton University	Available to students entering their first year of a degree program and pursuing post-secondary studies for the first time. Students must also demonstrate a participation in extra-curricular activities and a strong academic background. Value: Up to \$2,000.	https://admissions.carleton.ca/scholarships/
Anna Ackle Support Staff Union Award	Champlain College	For an outstanding student who has been involved in volunteer work on and off campus, and who has maintained a good overall academic standing.	https://www.champlainonline.com/champlainweb/wp-content/uploads/2019/08/Scholarship-August-2019-.pdf
NSERC USRA Competition Award	Concordia University	Natural Science and Engineering Research Council of Canada provides this award to students who wish to conduct research work experience to complement their degree program. Value: \$5,625.	https://www.concordia.ca/student-s/financial-support/scholarships-awards/internal/nserc-usra-competition---winter2018.html
Queen of Angels Academy Foundation Memorial Award	Concordia University	Available to alumna or the child or grandchild of a Queen of Angels Academy alumna who are entering a BA program and demonstrate ongoing leadership and community involvement. Value: \$2,500.	https://campus.concordia.ca/psc/pscsprd/EMPLOYEE/SA/c/CU_EXT.CU_US_FA_AWD_SRCH.GBL.html

Sophie de Villers Memorial Scholarship	Concordia University	Awarded to undergraduate students currently enrolled in the Bachelor of Science program at Concordia University, whose commitment towards life sciences reflect the values exemplified by Sophie de Villers, BA (Psychology) 1983. Preferred candidates for this scholarship will be enrolled in a Major, Specialization, or Honours in Behavioural Neuroscience, Biology, or Environmental Science.	https://campus.concordia.ca/psc/pscsprd/EMPLOYEE/SA/c/CU_EXT_CU_SS_FA_AWD_SRCH.GBL.html
Ruth and David Steinberg Entrance Bursary	Concordia University	Available to deserving new students admitted to Concordia's Bachelor of Science program, and enrolling full-time in any of the following study disciplines: Biology, Chemistry and Biochemistry, Environmental Geography, History, Mathematics, Physics.	https://campus.concordia.ca/psc/pscsprd/EMPLOYEE/SA/c/CU_EXT_CU_SS_FA_AWD_SRCH.GBL.html
ERA Environmental Consulting Inc. Bursary	Concordia University	The ERA Environmental Consulting Inc. Bursary is intended to support and encourage a deserving full-time student newly-admitted to the Bachelor of Science in the Faculty of Arts and Science. Value: \$10,000.	https://www.era-environmental.com/about-us/social-responsibility
Ecosense and Concordia University Alumni Association Inc. Bursary	Concordia University	The candidate must be able to demonstrate proven active participation in promoting environmental awareness or improvement at the community level (i.e. involved in a grass roots movement such as QPIRG). The candidate should also demonstrate how he/she intends to orient his/her knowledge or degree towards improving the environment in the future. The candidate must be a full-time registered student at Concordia University in any field of study.	https://campus.concordia.ca/psc/pscsprd/EMPLOYEE/SA/c/CU_EXT_CU_SS_FA_AWD_SRCH.GBL.html
Orange Shirt Bursary for Indigenous Students	Concordia University	Candidates for this non-renewable bursary are selected by the In-Course Bursary Committee each year. The candidate must be in his/her final year of studies and registered with the Aboriginal Student Resource Centre (ASRC).	https://campus.concordia.ca/psc/pscsprd/EMPLOYEE/SA/c/CU_EXT_CU_SS_FA_AWD_SRCH.GBL.html
CSU Student Parent Award	Concordia University	Available to Indigenous student-parents in any faculty.	https://campus.concordia.ca/psc/pscsprd/EMPLOYEE/SA/c/CU_EXT_CU_SS_FA_AWD_SRCH.GBL.html
Aditya Youth Trust Fund Scholarship	Dawson College & John Abbott College	Given to a student in their first year at Dawson who has a satisfactory academic record, can demonstrable financial need, involvement in community service/volunteer activities, and has had success in overcoming obstacles in the pursuit of learning. David Burt Memorial Scholarship	John Abbott College	This scholarship is awarded to a Biology student with high academic standing who intends to pursue the study of health sciences. Value: \$500.	www.johnabbott.qc.ca/foundation/scholarships-bursaries-2/
Environmental Scholarship	Marianopolis College	For an incoming student in any program who demonstrates an interest in ecological issues. Value: \$2000	http://www.marianopolis.edu/campus-life/tuition-financial-aid-scholarships/
Eberts First and Inuit Peoples' Entrance Bursaries	McGill University	Available for First and Inuit Peoples entering undergraduate degree programs. Awarded by the Scholarships and Student Aid Office on the basis of financial need and academic standing. Renewable for a maximum for four years. Value: Minimum \$6,000.	https://www.sac-isc.gc.ca/eng/4078514441079/4078514441079?sb=bn&q=&bp=QC&fs=000&ag=001&srcDC=10
McGill's Indigenous Bursary with Indspire	McGill University	Must be pursuing a degree program (Bachelors, Masters, PhD) and require financial assistance. Must have a complete application, confirmed Indigenous affiliation and Canadian citizenship. Minimum CGPA of 2.0 and maintain full time status. Value: \$1,000 - \$10,000.	https://www.mcgill.ca/studentaid/special-funding/indigenous-student-funding
New Sun Joy Harvie Maclaren Graduate Entrance Award	McGill University	Preference will be given to Canadian Indigenous students studying nutrition, dietetics, agriculture or environmental sciences on the Macdonald Campus. The award is renewable for one year at the M.Sc. level and two years at the Ph.D. level pending satisfactory standing and full-time status. Community involvement and/or leadership through extracurricular activities is encouraged. Value: \$10,000.	https://www.mcgill.ca/internalawards/faculty/agricultural-and-environmental-sciences
Hugh Baily Award	McGill University	Awarded to a graduate student in an agriculture-related field through the Faculty of Agricultural and Environmental Sciences. Preference will be given to students completing their dissertation who require less than one year of support. Awarded based on departmental recommendation to the Faculty of Agricultural and Environmental Sciences Scholarships Committee. Value: \$750.	https://www.mcgill.ca/internalawards/faculty/agricultural-and-environmental-sciences
Macdonald Class of '44 Rowles Graduate Bursary	McGill University	Awarded to Macdonald graduate students who are in good academic standing and have demonstrated financial need. Preference will be given to Canadian students. Awarded based on departmental recommendation to the Faculty of Agricultural and Environmental Sciences Scholarships Committee. Value: \$750.	https://www.mcgill.ca/internalawards/faculty/agricultural-and-environmental-sciences

Margaret A. Gilliam Fellowship in Food Security	McGill University	Awarded to an outstanding graduate student working in an area of research that falls under the mandate of the Institute for Global Food Security at Macdonald campus. Awarded based on the Director of the Institute's recommendation to the Faculty of Agricultural and Environmental Sciences Scholarship Committee. Value: varies.	https://www.mcgill.ca/internalawards/faculty/agricultural-and-environmental-sciences
Casper W. Owen Fellowship	McGill University	Graduate students, both M.Sc. and Ph.D. level, enrolled or planning to enroll in Plant Science are eligible for this award but preference will be given to entering students. Applicants should have outstanding academic records or equivalent research experience. Value: \$8,000.	https://www.mcgill.ca/internalawards/faculty/agricultural-and-environmental-sciences/plant-science
Liliane and David M. Stewart M.Sc. Fellowship in Water Resources	McGill University	Awarded to an outstanding Master's student working in the areas of hydrology or water resources by the Faculty of Agricultural and Environmental Sciences Scholarship Committee upon recommendation of the Department of Bioresource Engineering. Value: varies.	https://www.mcgill.ca/internalawards/faculty/agricultural-and-environmental-sciences/bioresource-engineering
E. Melville DuPorte Award	McGill University	Awarded to a student demonstrating excellence in the first year of graduate studies in Entomology in the Department of Natural Resource Sciences. Awarded based on departmental recommendation to the Faculty of Agricultural and Environmental Sciences Scholarships Committee. Value: \$500.	https://www.mcgill.ca/internalawards/faculty/agricultural-and-environmental-sciences/natural-resource-sciences
Tomlinson Centennial Fellowship in Forest Ecology	McGill University	Awarded to an outstanding graduate student working in the area of forest ecology in the Department of Natural Resource Sciences. Awarded on the basis of academic merit by Graduate and Postdoctoral Studies on the recommendation of the Scholarships Committee of the Faculty of Agricultural and Environmental Sciences. Value: varies.	https://www.mcgill.ca/internalawards/faculty/agricultural-and-environmental-sciences/natural-resource-sciences
Max Dunbar Award in Oceanography	McGill University	Awarded by the Departments of Atmospheric and Oceanic Sciences, Biology, and Earth and Planetary Sciences, upon recommendation of the departments' award committees to a graduate student in any marine field of study with an outstanding academic record. Value: \$1,000.	https://www.mcgill.ca/internalawards/faculty/science/atmospheric-and-oceanic-sciences
Stephen and Anastasia Mysak Graduate Fellowship	McGill University	Awarded by the Faculty of Science to a full-time graduate student in the Department of Atmospheric and Oceanic Sciences. The Mysak Fellowship is awarded on the basis of academic excellence to students pursuing research in one or more fields of air-sea interaction, oceanography or climate. Value: \$15,000 per year.	https://www.mcgill.ca/internalawards/faculty/science/atmospheric-and-oceanic-sciences
Vineberg Family Fellowship	McGill University	Awarded by the Faculty of Science, upon recommendation of the Executive Committee of the Limnology Research Centre, to an outstanding student pursuing graduate studies and research on freshwater pollution, conservation and rehabilitation. Value: \$8,000.	https://www.mcgill.ca/internalawards/faculty/science/biology
Alexander A. McGregor Fellowship in Earth and Planetary Sciences	McGill University	Awarded on recommendation of the Department of Earth and Planetary Sciences to an outstanding research student in any field of the earth sciences. Value: \$12,500.	https://www.mcgill.ca/internalawards/faculty/science/earth-and-planetary-sciences
David Harrigan Memorial Prize	McGill University	Awarded by the Faculty of Science Scholarships Committee on the recommendation of the Department of Earth and Planetary Sciences to a student with high standing in the M.Sc. (Applied) course, or to a graduate or undergraduate student with an interest in geochemistry. Value: \$800.	https://www.mcgill.ca/internalawards/faculty/science/earth-and-planetary-sciences
Geraldine Elizabeth Davidson Fellowship	McGill University	Established in 1989 by a bequest from Geraldine E. Davidson to support students with good academic standing and financial need registered in Graduate Studies and studying towards a higher degree in the field of earth and planetary sciences. Awarded by the Department of Earth and Planetary Sciences. Value: \$6,000.	https://www.mcgill.ca/internalawards/faculty/science/earth-and-planetary-sciences
Eric Mountjoy Fellowship	McGill University	Awarded by the Faculty of Science upon recommendation of the Department of Earth and Planetary Sciences on the basis of academic merit. Preference will be given to students pursuing research in Sedimentology. Value: varies.	https://www.mcgill.ca/internalawards/faculty/science/earth-and-planetary-sciences
Professor Emeritus Ben Garnier Fellowship	McGill University	Awarded by the Faculty of Science upon recommendation of the Department of Geography on the basis of academic merit. Value: varies.	https://www.mcgill.ca/internalawards/faculty/science/geography
Rathlyn Fellowships in Geographic Information Systems	McGill University	Awarded by the Department of Geography to graduate students with strong academic standing whose research is in geographic information systems. Value: Minimum \$5,000; renewable.	https://www.mcgill.ca/internalawards/faculty/science/geography
Mary Emily Brown Entrance Scholarships	McGill University	Available to Macdonald undergraduate students based on academic achievement in the Faculty of Agricultural and Environmental Sciences. Value: \$5,000 each.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf

Grant and Lorraine McOuat Cameron Scholarship	McGill University	Available to undergraduate students with high academic standing entering the Faculty of Agricultural and Environmental Sciences. Value: varies.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf
Joy H MacLaran Bursary	McGill University	Awarded to Indigenous students entering the Faculty of Agricultural and Environmental Sciences to pursue studies in nutrition, dietetics, agriculture, or environmental sciences.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf
Dean William H. Brittain Scholarship	McGill University	Awarded to undergraduate students with high academic standing who are who are enrolled in an undergraduate degree program offered by the Faculty of Agricultural and Environmental Sciences. Value: \$2,000.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf
Norman And Betty Campbell Scholarship	McGill University	Available to undergraduate students who have completed at least one year of any program in the Faculty of Agricultural and Environmental Sciences. Value: varies.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf
Heslop Family Award	McGill University	Awarded each year by the Faculty of Agricultural and Environmental Sciences Scholarships Committee to an undergraduate student entering U2 or U3 of the B.Sc.(Agr.Env.Sc.) program, who has demonstrated a strong interest in Horticulture. Value: varies.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf
Sandra Letendre Memorial Award	McGill University	Awarded annually to a student registered in a program offered by the Department of Natural Resource Sciences who has demonstrated academic excellence. Preference will be given to a student who entered from John Abbott College, is registered in the Wildlife Biology Specialization, and is active in community events. Value: varies.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf
Lewis E. Lloyd Memorial Scholarship	McGill University	Awarded by the Scholarships Committee on the basis of high academic standing to a full-time student in any degree program in the Faculty of Environmental and Agricultural Sciences. Value: minimum \$2,000.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf
Douglas H. Macaulay Scholarship In Agricultural And Environmental Sciences	McGill University	Awarded by the Faculty of Agricultural and Environmental Sciences Scholarships Committee to students who have completed at least one year of a full-time undergraduate degree program on the basis of high academic standing. Value: varies.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf
Macdonald Branch Of The McGill Alumni Association Scholarships	McGill University	Awarded by the Faculty of Agricultural and Environmental Sciences Scholarships Committee on the basis of academic merit to students registered in the B.Sc.(Ag.Env.Sc.), B.Eng. (Bioresource), and B.Sc.(Nutr.Sc.) programs. One scholarship is awarded to students enrolled in each of the second and third year of a degree program. Value: \$2,500 each.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf
Murray And Eleanor Mcewen Clean Water Scholarships	McGill University	Available to students who have a strong interest in the protection, development or restoration of clean water resources. Preference will be given to, but not limited to, students whose work and studies are carried out in a Canadian context, especially in Canada's northern lands, and/or are of direct benefit to Canada's First Nations.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf
Robert D. Parkinson Scholarship	McGill University	For undergraduate students who have completed at least one year of any program in the Faculty of Agricultural and Environmental Sciences. Value: \$4,000.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf
Dorothy Newton Swales Prize	McGill University	Awarded each year to the undergraduate student in a degree program at McGill who obtains the highest standing in the Flowering Plant Diversity course (PLNT 358) and who has demonstrated strong botanical interests and potential. Value: \$100.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf
Xylem Water & Wastewater Scholarship	McGill University	Awarded to outstanding undergraduate students who have completed at least one year in the B.Sc.(Ag.Env.Sc.) or the B.Eng. (Bioresource) program in the Faculty of Agricultural and Environmental Science. Value: \$2,500.	https://www.mcgill.ca/studentawards/files/studentawards/undergraduate_scholarships_and_awards_19_20.pdf
Forces AVENIR Awards	McGill University	Available to students in any undergraduate or graduate faculty who contribute to their community and show socially conscious leadership. Value: 33 awards totaling \$114,000.	https://www.mcgill.ca/deanofstudents/students/recognition/forces-avenir
President's Indigenous Support Bursary	Royal Roads University	This bursary recognizes the importance of assisting Indigenous student with facilitating their continued learning leading to post-secondary degrees when they are faced with exceptional financial difficulties. Value: \$2,000.	https://www.royalroads.ca/financial-aid-awards/internal-awards
Wayne Strandlund Award for Indigenous and Metis Students	Royal Roads University	Created by Wayne Strandlund to help support Indigenous and Metis students who attend Royal Roads University and are in financial need. Value: \$1,000.	https://www.royalroads.ca/financial-aid-awards/internal-awards
Birgit and Robert Bateman Bursary	Royal Roads University	Available to one or more MA in Environmental Education and Communication students who demonstrate a strong	https://www.royalroads.ca/financial-aid-awards/internal-awards

		involvement in environmental education and/or communication. Value: \$750.	
Chawkers Foundation Award for Environmental Studies	Royal Roads University	This award aims to provide assistance to a Master of Environment and Management student who demonstrate financial need and involvement with non-governmental organizations committed to the environment. Value: \$3,000.	https://www.royalroads.ca/financial-aid-awards/internal-awards
Kaiser Foundation for Higher Education Bursary	Royal Roads University	Awarded to a BSc or MEM student to assist in overcoming financial need and in support of continued learning in the area of environment. Value: \$1,000.	https://www.royalroads.ca/financial-aid-awards/internal-awards
Clara E. Elliott Entrance Scholarship	University of Guelph	Students entering the BASc program with at least an 80% admission average and who have demonstrated leadership potential. Value: \$10,000 over four years of study.	https://www.uoguelph.ca/registrar/studentfinance/apps/awards?app=awards&page=index&id=E0095
B.Sc.(Env.) Alfred McInroy Cuddy Memorial Scholarship	University of Guelph	Students entering the first semester of the Bachelor of Science in Environmental Sciences with a minimum of 80.0% admission average. Value: 2 awards of \$2,500.	https://www.uoguelph.ca/registrar/studentfinance/apps/awards?id=E0670
Devine Family Scholarships	University of Guelph	Indigenous students entering any University of Guelph undergraduate degree program with a minimum 80% admission average. Value: 2 awards of \$50,000 over four years of study.	https://www.uoguelph.ca/registrar/studentfinance/apps/awards?id=E4542
Ernie Kendall Science Entrance Scholarship	University of Guelph	Students entering any sciences (B.Sc., B.Sc.(Agr.), B.Sc.(Env.), B.Sc.(Tech), B.A.Sc., B.A.S., B.B.R.M., B.Eng.) degree program with a minimum 80.0% admission average. Value: \$2,000.	https://www.uoguelph.ca/registrar/studentfinance/apps/awards?id=E0668
Gordon McNally Memorial Scholarship	University of Guelph	Students entering any undergraduate degree program offered by the College of Biological Sciences who have an interest in extracurricular activities. Value: \$500.	https://www.uoguelph.ca/registrar/studentfinance/apps/awards?id=E0203
Lincoln Alexander Chancellor's Scholarships	University of Guelph	Indigenous students entering a degree program with a minimum 90% admission average who have made significant leadership and innovative contributions to their schools and communities and demonstrate the potential to become a leader in society. Value: 2 awards of \$42,000 each over four years.	https://www.uoguelph.ca/registrar/studentfinance/apps/awards?id=E0689
President's Scholarship	University of Guelph	Students entering a degree program with a minimum 90% admission average who have made significant leadership and innovative contributions to their schools and/or communities and demonstrate the potential to become a leader in society. Value: 8 awards of \$42,000 over four years.	https://www.uoguelph.ca/registrar/studentfinance/apps/awards?id=E0238
Dean of Science Entrance Scholarship for Indigenous Students	University of Victoria	One or more scholarships are awarded to academically outstanding Indigenous undergraduate students entering the Faculty of Science directly from a Canadian secondary school. Value: varies.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/indigenous-students.php
Dr. Lorene Kennedy Environmental Studies Undergraduate Award	University of Victoria	One or more awards are given to undergraduate students majoring in the School of Environmental Studies with demonstrated financial need. Value: varies.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/environmental-st.php
Edward Hammond King Bursary	University of Victoria	One or more bursaries are awarded to undergraduate or graduate students in the Faculty of Science, with preference for students in the School of Earth and Ocean Sciences	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/eos.php
Ethel Clark Entrance Bursary	University of Victoria	One or more bursaries are awarded to Aboriginal students entering the University of Victoria. Value: varies.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/indigenous-students.php
Gerald G. Few Bursary	University of Victoria	One or more bursaries are awarded to undergraduate and graduate students in the biological sciences with a commitment to the field of Forest Biology. Value: varies.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/biology.php
Goldstream Hatchery Education Bursary	University of Victoria	One or more bursaries are awarded to undergraduate students in the Department of Biology. Value: \$600.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/biology.php
Hakai-Raincoast Award	University of Victoria	One or more awards are given to Indigenous undergraduate entrance or transfer students in the Department of Geography with demonstrated financial need. Value: varies.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/indigenous-students.php
HSBC Bank of Canada Aboriginal Award	University of Victoria	One award is given to a first year undergraduate Aboriginal student entering from an Indigenous Adult and Higher Learning Association (IAHLA) Centre. If there are no eligible IAHLA	https://www.uvic.ca/registrar/safa/entrance-

		applicants, Aboriginal students transitioning from a First Nations community will be considered. Students must have demonstrated community or leadership involvement. Value: varies.	scholarships/dept/indigenous-students.php
Jane Seaborne Bursary	University of Victoria	One or more bursaries are awarded to women students in a major or honours program in Biology, Biochemistry and Microbiology, Chemistry, Earth and Ocean Sciences, or Physics and Astronomy.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/biology.php
John Michael Brownutt Scholarship	University of Victoria	One or more scholarships are awarded to academically outstanding undergraduate Aboriginal (First Nation Status, Non-Status, Inuit or Métis) students at the University of Victoria. Students must have demonstrated community involvement. Value: varies.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/indigenous-students.php
Norah and Calvin Banks Aboriginal Leadership Award in the Sciences	University of Victoria	One or more awards are given to undergraduate or graduate Aboriginal students in the Faculty of Science, Faculty of Engineering or School of Environmental Studies who demonstrate leadership by encouraging/and or promoting Science, Technology, Engineering, and Math (STEM) fields of study in Aboriginal communities. Value: varies.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/indigenous-students.php
Norah and Calvin Banks Science Scholarship	University of Victoria	An entrance scholarship is awarded to an academically outstanding Indigenous student in the Faculty of Science. Value: varies.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/indigenous-students.php
Sellemah Scholarship	University of Victoria	One or more scholarships, totaling not more than \$1,000, will be awarded to academically outstanding undergraduate Indigenous (First Nations, Métis, or Inuit) students in the School of Environmental Studies. Value: varies.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/indigenous-students.php
Smonec Natural Sciences Scholarship	University of Victoria	A scholarship is awarded to an academically outstanding undergraduate student in the Faculty of Science. Value: varies.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/indigenous-students.php
Stephen Canning Memorial Scholarship	University of Victoria	One or more scholarships are awarded to students who have achieved academic excellence and are entering third or fourth year of a declared major in Environmental Studies, or in Writing, or to students in the Restoration of Natural Systems Diploma program.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/environmental-st.php
VNHS Samuel Simco Undergraduate Bursary	University of Victoria	One or more bursaries, established by the Victoria Natural History Society from funds bequeathed for this purpose by the late Mr. Samuel Simco, are awarded to undergraduate students in Biology specializing in the area of species and/or habitat conservation.	https://www.uvic.ca/registrar/safa/entrance-scholarships/dept/biology.php
Liberio Community Involvement Scholarship	Vanier College	Available to students in good academic standing who demonstrate community involvement. Value: 4 awards of \$500.	https://www.vaniercollege.qc.ca/scholarships/scholarships/liberio-community-involvement-scholarship/
Ali Alousi Memorial Scholarship	Vanier College	Available to any female student who is graduating and has applied to study at university in physics, chemistry, physical sciences, engineering, computer science, or mathematics.	https://www.vaniercollege.qc.ca/scholarships/scholarships/ali-alousi-memorial-scholarship/
